A RUN 4 ALL ATTACK the ATTACK VIRTUAL WALK/RUN

Zachyra Rodriguez - LMSW, CCATP | PRESIDENT & FOUNDER
Antonio Rodriguez - CMS | CO-FOUNDER

We were extremely eager to announce our first ever Virtual 5k/10 Walk/Run for Anthony's Legacy of Love (ALL) that was held the entire month of October 2020! We knew that everyone was not able to engage in a virtual run/walk but would still want to support college student warriors battling an autoimmune illness.

Proceeds collected went towards college scholarships. This year 10 fortunate students will receive college scholarships totaling \$10,000 for the upcoming 2021-2022 school year.

Thank you to all our participants and donors from Spain, Panama, Georgia, New York, Florida, California, New Jersey, Maryland, and many other parts of the world that made this possible.

We look forward to seeing you in our next 5k/10k Walk/Run!!

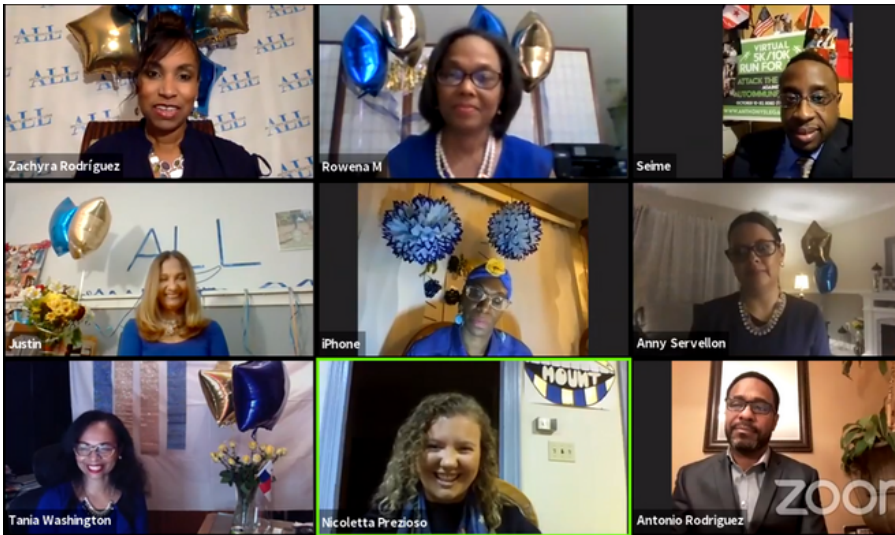

JERUSALEMA DANCE

Zachyra Rodriguez - LMSW, CCATP
PRESIDENT & FOUNDER

Anthony's Legacy of Love [ALL] Foundation impacted the global community through the famous Jerusalema dance challenge this past Fall 2020. The Jerusalema dance produced by South African DJ Master KG, was created in South Africa to spread a message of unity, hope, and peace. Our friends from different countries came together to bring autoimmune awareness, and raise funds for college students battling an autoimmune disease.

2ND YEAR ANNIVERSARY CELEBRATION

Tania Washington
Board Trustee

Our 2nd year anniversary celebration on October 30, 2020 was different, emotional and special. Last year we all welcomed 2020 and some of us focused on planning the next vacation, resolutions for the year, the most awaited ALL Gala and more; however we never planned for the challenges of a pandemic.

2020 came roaring with so many obstacles, but through our faith in God, hope and prayers, the ALL foundation was able to improvise and develop new ways to continue our mission. Through this experience we were able to see the resilience, enthusiasm, support and dedication of our team which helped to reach unimaginable goals.

We would be remiss if we did not mention our donors and circle of leaders, whose trust and continuous support even in the midst of COVID-19 kept us encouraged. To those who are on the receiving end, whether you were awarded a scholarship, received a card of love or got a Christmas gift, your feedback and thank you cards have inspired us.

We will continue to find innovative ways to bring awareness to those with an autoimmune disease and keep helping by spreading love in the global community.

Cheers to another year and may God bless us together to achieve great things!

2020 YEAR END FINANCIAL REPORT

Anny Servellon

We are so thankful for the support we received throughout the 2020 events, even though it was a financially hard year for so many. We were so fortunate to count on the support of lots of donors and people who participated in events such our very first 5-10k Run/Walk. Our Foundation was able to raise a total of \$8,738 from 118 people who registered to run/walk, business companies and individuals who also donated toward this wonderful event.

25 DAYS OF CHRISTMAS

Dr. Rowena Moore - CCC - SLPD
VICE PRESIDENT

The ALL Foundation launched our first 25 Days of Christmas program. Individuals in our community were given the opportunity to partner with us to give back during the 25 Days of Christmas.

The names of twenty six children and one adult in need were submitted to the Foundation. These individuals were from Trenton, Belle Meade, Princeton, Burlington, Valley Stream, Queens NY, and even the UK.

Volunteers in the community were assigned a gift recipient

and informed about their wish list of items. Some of the gifts requests included things like shoes, coats, clothes, and toys. Even though a \$50 limit was requested for a gift, several individuals went above and beyond that and gave even more. The All Foundation was amazed at the generosity of those in our community and their willingness to partner with us to bless others during the holiday season. We look forward to expanding our program in Christmas 2021.

OPERATION CHRISTMAS JOY

Zachyra Rodriguez - LMSW, CCATP
PRESIDENT & FOUNDER

On December 26, 2020, the Anthony's Legacy of Love Foundation (ALL) held its 3rd annual community outreach, Operation Christmas Joy, for those experiencing homelessness in Trenton, New Jersey. Due to the many restrictions that we encountered due to Covid-19, the organization had to become creative and find a way to still help the less fortunate during the frigid months. A group of volunteers and board members took to the streets in Trenton to provide thermal items that included: thermal underwear, hats, gloves, socks and masks.

Operation Christmas Joy provided 100 packages to individuals, including pregnant mothers that are currently in need of shelter and many other resources. We were grateful to partner with two great organizations for this cause. A huge thank you to Pastor Johnny F. from the Trenton Fountain of Life campus, his team, and all the volunteers that came out and gave of their time.
